Chapter 10. Appropriation for Publication of Reports of Indiana Academy of Science

IC 4-23-10-1

Appropriations

Sec. 1. Beginning with the first day of October, 1921, and annually thereafter, there is appropriated the sum of twelve hundred dollars (\$1,200), said moneys to be used to pay for the printing of the proceedings and papers of the Indiana Academy of Science, provided that any unexpended balance of any of said sums shall be carried forward and be available for the use of said academy for future years.
